BINDING MACHINES FOR SIMPLEX PRINTS

• Description

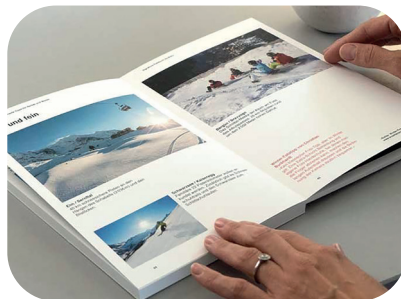

CASING-IN E900-150 is a semi automatic casing in machine. You may preset the trace of hotmelt which needs to spray onto the cover. The machine sprays the hotmelt onto the cover according to the preset data. The preset data can be selected from the control panel or use bar code scanner to read the data.

• Key Features

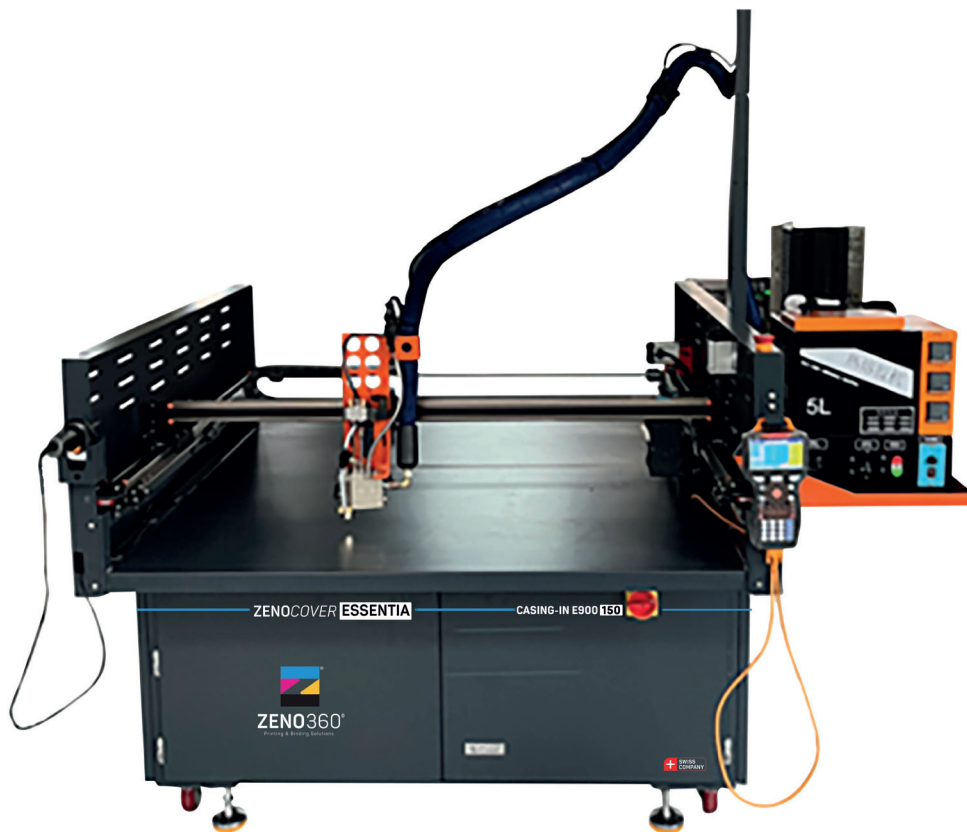

- Hotmelt gluing technology: cheaper cost and faster delivery;
- Hotmelt glue to replace double side tape, it saves the cost of material and labor;
- Easy to operate via touch screen;
- Flexible production for different sizes and shapes;
- Easy clean spray platform;

Professional, Attractive And Elegantly Crafted Premium Book Formats
