ZEN0360[®]
Printing & Binding Solutions

BINDING MACHINES FOR SIMPLEX PRINTS

• Description

LAYFLAT E330-600 is a fully automatic book block system which produces LAYFLAT book blocks from single sheets. It can make premium book formats not only by gluing paper back to back but also by inserting cardboard between sheets. It is all in one station, creaser and folder are included, it is high speed and good for premium book formats.

• Key Features

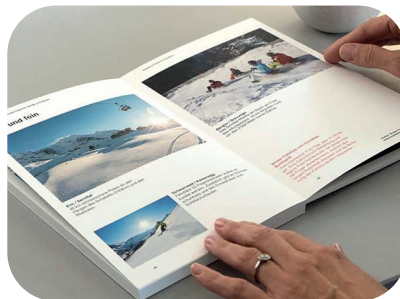

- All in one system: Integrated auto feeding, gluing and assembling units;
- Automatic paper alignment system;
- Easy to operate via touch screen;
- Flexible production for different sizes: 6"x6" to 13"x 18";
- LAYFLAT binding technology;
- Hotmelt gluing technology: cheaper cost and faster delivery;

• Options

- Inline presser
- Bar code scanner
- Bar code printer
- Front/End sheet feeder

Professional, Attractive And Elegantly Crafted Premium Book Formats

Production Line In Your Business
