

LayflatXpress

— LF330-600XP —

**PERFECT BINDING.
PREMIUM RESULTS.**

Professional layflat book finishing
made simple.

BINDING MACHINE FOR SIMPLEX PRINTS

• Description •

The LayflatXpress LF330-600XP is a fully automated all-in-one layflat book block production system. Designed to produce premium layflat photobooks from single sheets, it bonds pages back-to-back and can insert cardboard between sheets to create premium layflat book blocks.

By integrating **feeding, creasing, folding and gluing into one compact workstation**, the LF330-600XP delivers consistent production while minimising operator input.

• Key Features •

- All in one system: integrated auto feeding, gluing, assembling
- Automatic paper alignment system
- Easy to operate via touch screen
- Flexible production for different sizes 6" x 6" to 13" x 18"
- Layflat binding technology
- Hotmelt gluing technology: cheaper cost and faster delivery
